Admissions in the General Hospital, Madras

* 3090 [a] *Q.*—SRI M. NARAYANA KURUP (on behalf of Dr. K. B. Menon): Will the Hon. the Minister for Health be pleased to state—

(*a*) whether it is a fact that an Ear, Nose and Throat patient after being admitted by the Resident Medical Officer of the General Hospital, Madras, on the 13th or 14th July 1955 and after receiving hospital dues, was refused to be taken in by the doctor-in-charge of Ward No. 3; and

(*b*) if so, why?

THE HON. SRI A. B. SHETTY: (*a*) & (*b*) A patient was sent for admission on the 14th July 1955 in the general ward of the Government General Hospital, Madras, by the Resident Medical Officer for want of a bed in "C" class ward for which he had applied. The Ear, Nose and Throat Surgeon, under whom the patient was admitted, sent him away as his case was not an urgent one and as the general ward was overcrowded with patients. He was instructed to obtain admission in a "C" class ward in the ordinary course.

Unserviceable radiological equipment in State Hospitals

* 3094 [a] *Q.*—SRI K. P. GOPALAN (on behalf of Sri M. Kalyanasundaram): Will the Hon. the Minister for Health be pleased to state—

(*a*) the procedure followed in condemning as unserviceable the radiological equipment belonging to the several hospitals in the State;

(*b*) how these condemned articles are disposed of; and

(*c*) the amount realised by the sale of such unserviceable articles during the years 1953–54 and 1954–55?

THE HON. SRI A. B. SHETTY: (*a*) When a radiological equipment in a hospital goes out of order or is found unserviceable, the Superintendent of the Hospital arranges for its inspection by the Chief Radiographer attached to the Barnard Institute of Radiology, Government General Hospital, Madras. If the Chief Radiographer finds the equipment beyond repair, it is placed before the Condemnation Board of the Hospital concerned and the Board condemns the equipment if its cost is below Rs. 500 or recommends to the Director of Medical Services for its condemnation if its cost exceeds that figure.

(*b*) Such of those articles which are likely to fetch some money, if sold, are auctioned along with other unserviceable articles after giving due publicity, and the other worthless articles are destroyed in the presence of the Condemnation Board.
